Hi Lorraine

As received from Andy, I have since called him

Regret to advise that my loving wife of 53 years, Georgette, passed away peacefully on Thursday evening, 13 August at Allamanda Private Hospital on the Gold Coast. We are having her privately cremated. She missed out on being 72 years by 2 days.

As most of you know her health has not been good for the past few years and finally the body had had enough and gave up. Andrea and Michael were with me during the day yesterday.

Also some good news, Michael and Marnie had a new daughter on Wednesday and they are incorporating Georgette in one of her middle names. Also had another new great granddaughter arrive 14 July to Andrea's daughter Kirsty and husband Quintin.

I have been having problems with messages to addresses @xtra.co.nz so Michael is being included in this message list and will on forward again on his Broadband so apologies if you get two copies of this email.

I know all your thoughts will be with us at this sad time and they will be appreciated.

Kindest regards,

Andrew Geddes and family.
